

I am sending a comment on behalf of KLOVE, the Christian radio station that I am currently listening to. I can't put into words the joy that this station brings to my family and I. We listen to it everyday and are able to get through the day because of the encouragement that we receive from it. There are no other stations that are like KLOVE in the Kansas City area. The others have a lot of teaching from pastors around the area but do not play music like KLOVE does. I look forward to getting in my car and turning the station on. As a matter of fact it's the only station that I listen to other than a local news station that I play in the late afternoon to find out what is happening in the area. Please reconsider keeping KLOVE on the air for my sake and the sake of my children and grandchildren. Thank you.
